

## REMARKS

The claims 1 to 21 have been amended without prejudice in order to eliminate multiple dependency and to eliminate unconventional language ("characterized in that").

Proper headings according to the guidelines for drafting a nonprovisional patent application under 35 U.S.C. 111(a) have been added. A proper Abstract of the Disclosure has been added to the specification.

In view of the foregoing, it is submitted that this application is now in condition for allowance and such allowance is respectfully solicited.

Authorization is herewith given to charge any fees or any shortages in any fees required during prosecution of this application and not paid by other means to Patent and Trademark Office deposit account 50-1199.

Respectfully submitted on June 12, 2006,

/Gudrun E. Hockett/
